

## TEMPERATURE-TABLE for PTCR

Higher quality products and lower costs through improved, reliable firing control

Type PTCR - LTH				Ring Colour : Red			
Ferro No. : 1400604				Dimensions : ± 20 x 10 x 7,0 mm			
Temperature Range °C : 970 - 1250°C							

Ring diameter mm	Ring temperature °C	Ring diameter mm	Ring temperature °C	Ring diameter mm	Ring temperature °C	Ring diameter mm	Ring temperature °C	Ring diameter mm	Ring temperature °C	Ring diameter mm	Ring temperature °C
