

TEMPERATURE-TABLE for PTCR
Higher quality products and lower costs through improved, reliable firing control

| | | | | | | | |
|--------------------------------------|--|--|--|---------------------------------|--|--|--|
| Type PTCR - STH | | | | Ring Colour : Green | | | |
| Ferro no. : 1400606 | | | | Dimensions : ± 20 x 10 x 7,0 mm | | | |
| Temperature Range °C : 1130 - 1400°C | | | | | | | |

| Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C | Ring diameter mm | Ring temperature °C |
|------------------|---------------------|------------------|---------------------|------------------|---------------------|------------------|---------------------|------------------|---------------------|------------------|---------------------|
| | | 19,81 | 1130 | 19,31 | 1197 | 18,81 | 1252 | 18,31 | 1317 | 17,81 | 1400 |
